

Get out and
stay out

Exit plan

PREVENTION | PROTECTION | RESPONSE | PEOPLE

Would you know what to do if your smoke alarm went off while you were asleep?

Follow the slides to find out more...

PREVENTION | PROTECTION | RESPONSE | PEOPLE

Wake up to
alarm
sounding...

PREVENTION | PROTECTION | RESPONSE | PEOPLE

Shout **"FIRE"**
to wake up
others in the
house...

PREVENTION | PROTECTION | RESPONSE | PEOPLE

If door is
closed, feel
with the
back of
your hand....

PREVENTION | PROTECTION | RESPONSE | PEOPLE

PREVENTION | PROTECTION | RESPONSE | PEOPLE

Group
together
with other
people in the
home...

PREVENTION | PROTECTION | RESPONSE | PEOPLE

Go towards the
EXIT if it's
safe to do so...

PREVENTION | PROTECTION | RESPONSE | PEOPLE

Unlock the
door

PREVENTION | PROTECTION | RESPONSE | PEOPLE

EXIT to a place of safety.
DO NOT GO BACK INSIDE
FOR ANYTHING.

PREVENTION | PROTECTION | RESPONSE | PEOPLE

Call **999** from
a safe place.

PREVENTION | PROTECTION | RESPONSE | PEOPLE

The family followed their
EXIT PLAN.

What actions did they take to
get out safely?

Write down as many as you can
remember.

ESCAPE PLAN check your answers

Wake up to
smoke alarm
sounding...

Shout "**FIRE**",
to wake up
others in the
house...

If door is closed,
feel the door
with the back of
your hand...

Door is
 open
carefully...

Group together
with other
people in the
home...

Go towards
EXIT if it is
safe to do
so...

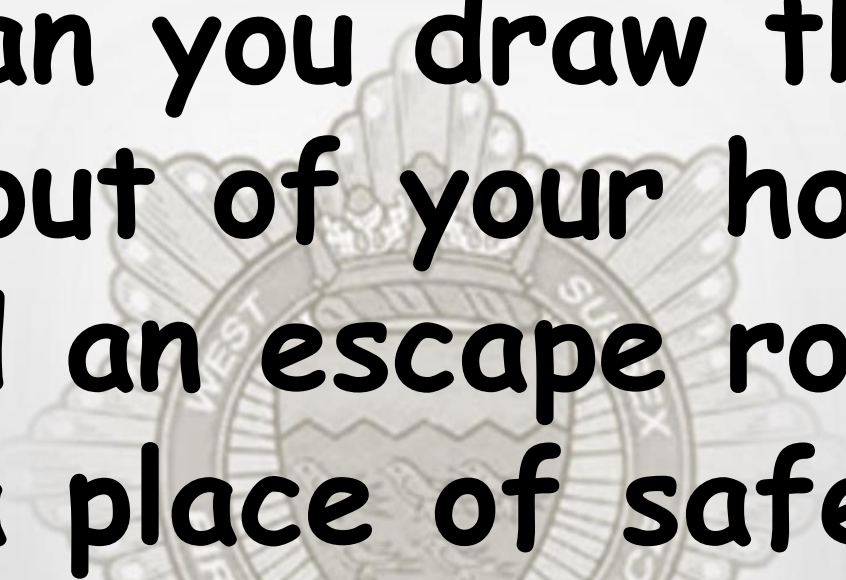

Unlock door

EXIT to a safe
place, **DO NOT**
GO BACK IN FOR
ANYTHING...

Call **999**,
from a
safe place.

PREVENTION | PROTECTION | RESPONSE | PEOPLE

**Can you draw the
layout of your house
and an escape route
to a place of safety?**

Exit plan worksheet to print can be found on West Sussex Fire & Rescue, Learning Zone page.

PREVENTION | PROTECTION | RESPONSE | PEOPLE

Look at the exit plan
video which highlights all
of these points!

Talk to the people in
your house about an
EXIT PLAN.
