West Sussex County Council
(Ansty & Staplefield (B2114) Cuckfield Road/Handcross Road) (40 MPH Speed Limit) Order 2023

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce 40 MPH speed limits on the B2114 in Staplefield as follows:

- A) Cuckfield Road (B2114) from the southern end of the existing 30 MPH speed limit in Staplefield, southwards for a distance of 600m; and
- B) Handcross Road (B2114) from the northern end of the existing 30 MPH speed limit in Staplefield, northwards for a distance of 600m.

These new speed limits are proposed to provide a 'buffer' zone between the 60 MPH speed limit on the approaches to Staplefield Village and the existing 30 mph speed limit on the B2114 through the village itself. This will slow traffic approaching the village and increase compliance with the existing 30 mph speed limit.

The new Order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The attached drawings, numbered MDS2302 show the lengths of roads affected by the proposed order.
