Virtual School Advisory Service

Calling all Social Care Colleagues!

Do you support a child or young person who:

- Is currently, or has previously been, subject to **CIN** or **CP Planning**?
- is **Adopted**, subject to **Special Guardianship Orders** or a **Child Arrangements Orders/Residency Orders**?

If so, and you would like information, advice or guidance around improving educational experiences and outcomes for the children and young people you support, the [Virtual School Advisory Service](#) is here for you!

Attendance, behaviour, SEND, managing change ... the list of challenges is endless, and we are happy to help you navigate them all!

The most effective changes happen when early intervention occurs rather than at crisis point, so please do get in touch sooner rather than later.

To arrange contact from one of our friendly team, please email vsas@westsussex.gov.uk with the heading 'Request for Support' including the following details:

- your name and team
- the child's name and age
- a brief overview of the concerns/queries regarding education

We look forward to hearing from you!
