West Sussex County Council
((Mid Sussex District) (Parking Places & Traffic Regulation) (Consolidation
No.2) Order 2006)

(Hurstpierpoint: Cuckfield Road and Various Roads Amendment) Order 2024

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce new or amended parking restrictions on various roads in Hurstpierpoint as follows:

To prohibit waiting at any time (introduce new/additional double yellow lines) at the junctions of Cuckfield Road with: Marchants Road, Fairfield Crescent, Manor Road, Western Road and Iden Hurst, on various lengths of Brighton Road, on lengths of Reeds Lane at its junction with London Road and on lengths of Pitt Lane.

To introduce a formalised bus stop clearway applying 7am to 7pm on the north side of High Street immediately east of its junction with Brighton Road, to change the restriction on the loading bay on the southern side of High Street west of its junction with Pitts Lane to loading/unloading by any vehicle at any time, to introduce a short length of restriction prohibiting waiting, loading and unloading on the southern side of High Street immediately west of its junction with Pitts Lane and to amend the length of various waiting restrictions on South Avenue.

Hurstpierpoint & Sayers Common Parish Council have submitted a community highway scheme application for various alterations to parking restrictions in Hurstpierpoint, intended to improve visibility at various junctions and resolve problems where parked cars obstruct visibility and the passage of traffic. Alterations to restrictions are also proposed to provide more on-street parking in South Avenue.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of roads, to facilitate the passage of traffic and to preserve or improve the amenities of the area through which the roads run.

The table below provides an index of the drawing numbers on which the amendments enacted by this Order are shown.
