WEST SUSSEX COUNTY COUNCIL
(BURY & FITTLEWORTH: B2138 BURY GATE/TRIPP HILL)
(40MPH SPEED LIMIT) ORDER 202*

Statement Of Reasons For Proposing To Make The Order

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to make a permanent Order the effect of which will be to extend the 40mph speed limit on the B2138 Bury Gate/Trip Hill from south of Fittleworth village to the A29.

The section of the B2138 south of Fittleworth village is currently de-restricted and subject to a 60mph speed limit. There is no pavement or verge. There are 2 Public Bridleways, a Public Footpath and 2 local lanes crossing the B2138 but with a staggered access so walkers have to walk in the carriageway. The route is also well used by equestrians and cyclists. The local community have raised concerns about the speed of vehicles and requested the speed limit be reduced to 40mph.

The application has been assessed in accordance with the WSCC Speed Limit Policy. This section of the B2138 is a rural route that carries high volumes of traffic. There are several property frontages and farm accesses. There are progressive bends located throughout the road. There is a high presence of vulnerable road users with public rights of way accesses located sporadically along the route. There have been 4 slight road traffic incidents on this stretch of road, 2 of which relate to failing to judge other vehicles speeds.

The character of the road, collision history and presence of vulnerable road users means a 40mph is considered appropriate. It is intended to introduce the 40mph speed limit with repeater signage throughout in addition to the terminal signs.

This Order is proposed so as to reduce danger to persons or other traffic using the road or to minimise the likelihood of any such danger arising, for facilitating the safe passage on the road of any class of traffic (including pedestrians) and for preserving or improving the amenities of the area through which the road runs.
