West Sussex County Council
(East Grinstead: Turners Hill Road (B2110)) (Restricted Road and Consolidation) Order 2024

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce a 30 MPH speed limit on Turners Hill Road (B2110) in East Grinstead, from its junction with Hurst Farm Road, southwestwards for 280 metres.

The Council has received an application requesting a 30 MPH speed limit on Turners Hill Road to cover the junction with Butlers Way, which provides access to a new housing development on the northern side of Turners Hill Road.

This application has been assessed against the West Sussex County Council speed limit policy, which sets criteria for new speed limits by considering current traffic speeds, the safety history of the road and the use of the road by vulnerable road users such as cyclists, pedestrians and equestrians. The affected length of road complies with the criteria set for a 30 MPH speed limit and the new Order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The Order also re-enacts the 40 MPH speed limit from the end of the new 30 MPH Speed Limit, southwestwards to the existing terminal point 175m southwest of Imberhorne Lane.

The attached drawing, numbered MDS2403 show the length of road affected by the proposed order.
