Introduction

This Appendix lists the oversubscription criteria for all schools which do not use the West Sussex County Council standard oversubscription criteria for Community and Voluntary Controlled schools (explained in the booklet). It includes all Church Voluntary Aided Schools, Foundation Schools, Free Schools, Academies as well as Community and Voluntary Controlled schools which use variations of the standard West Sussex County Council oversubscription criteria.

Where a school was oversubscribed in September 2024 the number of places offered in each category is listed beside the criteria. For oversubscribed schools the total number of places offered, together with the criteria and distance of the last place offered, is shown at the bottom of the oversubscription criteria.

Schools by Town and if they have a Supplementary Information Form (SIF)

SIFs are available in Appendix 2 on our website and directly from the school.

Crawley: The Gatwick School

Oversubscription Criteria for September 2025 showing the number of applications received under each category for September 2024 entry. For explanatory notes and evidence requirements please see the school's full Admissions Policy on their website.

All applicants who requested this school for September 2024 were offered a place, including children whose preferences for other schools couldn't be offered where this was either their catchment school or the nearest school with a place available.

	Oversubscription Criteria The Gatwick School 2025
EHCP	Children with an Education Health and Care Plan
1	Highest priority will be given to looked after children in England, previously looked after children in England and children who appear to have been in state care outside of England
2	Priority will next be given to the children of staff who have been continuously employed for at least two years. Please complete a Supplementary Information Form (SIF) if applying under this criterion. SIFs are available from the school, downloadable from the website or can be obtained via the Local Authority. The SIF must be returned to the school by the agreed deadline.
3	Children who will have a sibling ("sibling" is defined as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters) at the school at the time of admission. This applies if there is another child living in the same household as your child who in the year of admission will be attending the school
4	Proximity to the school. This will be measured by GIS software and the measurement to be taken is from the home (OS point) to the centre of the school site.

Crawley: Hazelwick School

Oversubscription Criteria for September 2025 showing the number of applications received under each category for September 2024 entry. For explanatory notes and evidence requirements please see the school's full Admissions Policy on their website.

Steyning Grammar School

Oversubscription Criteria for September 2025 showing the number of applications received under each category for September 2024 entry. For explanatory notes and evidence requirements please see the school's full Admissions Policy on their website.

All applicants who requested this school for September 2024 were offered a place, including children who applied after the deadline and those whose preferences for other schools couldn't be offered where this was either their catchment school or the nearest school with a place available.

The Published Admission Number (PAN) for Steyning Grammar School is 360. This is the total number of pupils within the capacity of both sites of the school, with 150 pupils on the Rock Road (Storrington) Site and 210 pupils on The Towers (Upper Beeding) site.

Applications are made for the school, not a specific site and parents should read the information about the site allocation on the school's website.

	Oversubscription Criteria Steyning Grammar School 2025
EHCP	Children with an Education Health and Care Plan
1	Looked after Children and previously looked after children.
2	Exceptional medical or social needs.
3	Children of staff.

5	Foundation Places.
6	Children living within catchment.
7	Living outside of catchment, in order of priority.
	Total offers
	The criteria and distance in metres of the last place offered.

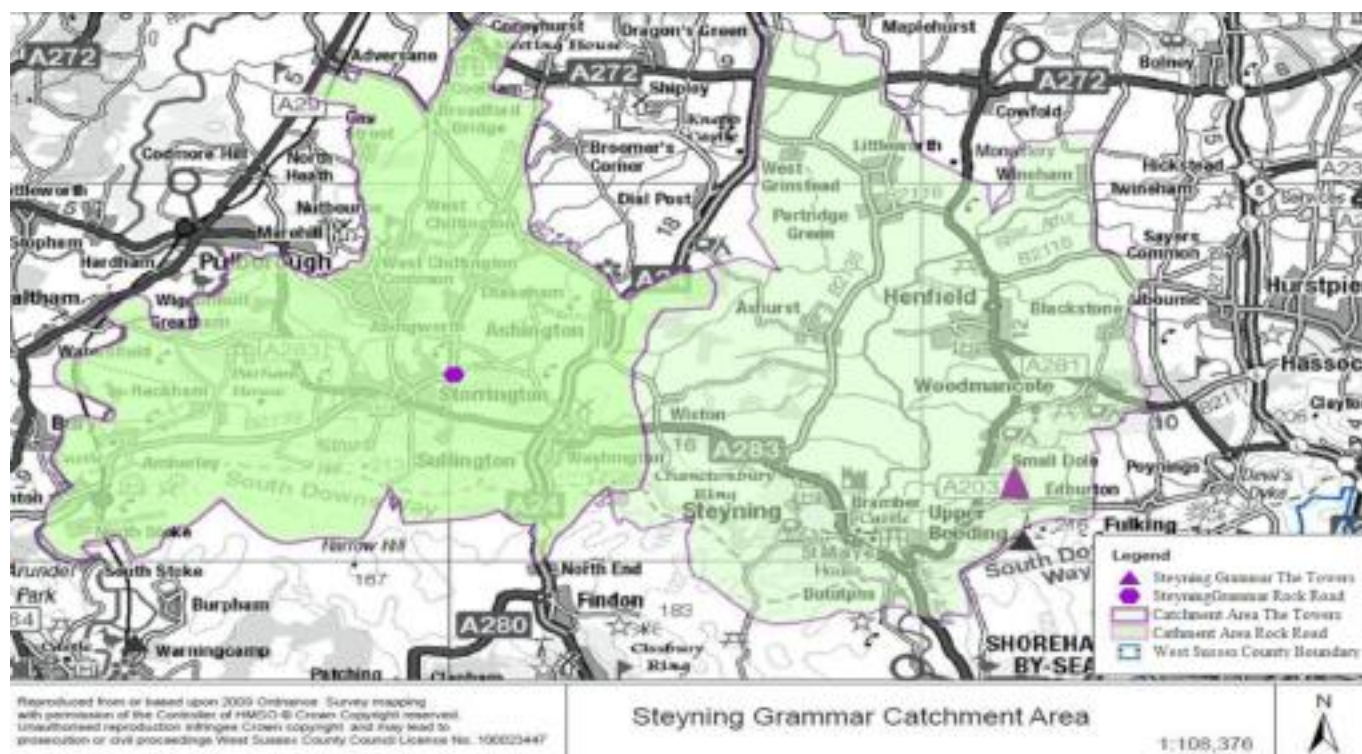

Steyning Grammar School – Children living within catchment

Children whose permanent home address is inside the school's designated catchment area as set out in the attached map and as follows. There are two campuses that cater for the Year 7 intake. Children who live in the Rock Road Campus part of the catchment area will be allocated the Rock Road, Storrington Campus. Children who live in the Towers Campus part of the catchment area will be allocated the Towers Campus. In both cases, allocation within catchment area for each site will be based on a straight line from the relevant campus to the child's home address, using Ordnance Survey data within the curtilage of each building.

The measurement will be taken from the Campus site serving the student's home address – i.e. distances from addresses in the Rock Road Storrington Campus part of the Steyning Grammar School catchment area will be measured to the Rock Road Campus and distances to addresses in the Towers Campus part of the Steyning Grammar School catchment area will be measured to the Towers Campus. If either site fills from applicants who live within one part of the catchment area, the remaining in catchment applicants will be allocated the

other campus before any out of catchment area applicants are allocated a place at Steyning Grammar School. Under the WSCC Co-Ordinated Admissions Scheme, up to 150 children who live in the Rock Road Campus part of the catchment area will be allocated the Rock Road Storrington Campus and up to 210 children who live in the Towers Campus part of the catchment area will be allocated the Towers Campus. In both cases the School may agree with WSCC to accept more children than at either campus.

For in catchment pupils Parents should note that if they apply for free transport, different criteria may apply and the distance from home to school might be measured using a different route. Where the offer of a place at Steyning Grammar School is made from the school's waiting list, the site offered will be subject to the campus capacity limits.

The left hand side with the purple hexagon shows the Rock Road part of the Steyning catchment area and the Rock Road Campus. The right hand side with the purple triangle shows the Towers part of the Steyning catchment area and the position of the Towers Campus. The physical capacity at each Campus is as follows: 150 at Rock Road and 210 at The Tower.
