West Sussex County Council
(Haywards Heath: Fox Hill (B2112)) (30 MPH Speed Limit) Order 2025

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will extend the 30 MPH speed limit on Fox Hill (B2112) in Haywards Heath from its junction with Hurstwood Lane southwards to the East Sussex County Boundary.

Residents of the Gamblemead development have raised concerns that the speed of traffic creates a safety hazard for vehicles at the junction of Cape Road with Fox Hill. Fox Hill presently has a 30 MPH speed limit between Haywards Heath and Hurstwood Lane and a 60 MPH speed limit from Hurstwood Lane southwards into East Sussex. The road has been reviewed against the West Sussex County Council Speed Limit policy, which considers current traffic speeds, safety history and the use of the road by vulnerable road users. The policy supports lowering the speed limit at this location to 30 MPH and it is considered that this will improve safety for vehicles at the affected junction.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected length of road.

The attached drawing, numbered CHI2414 shows the length of road affected by the proposed order.
