West Sussex County Council
((Mid Sussex District) (Parking Places & Traffic Regulation) (Consolidation
No.2) Order 2006)

(East Grinstead) (De La Warr Road Amendment) and (Lowdells Lane and
Various Roads Amendment) Order 2024

And

East Grinstead: De La Warr Road Traffic Calming Features 2024

NOTICE is hereby given that West Sussex County Council proposes to make a permanent Traffic regulation Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to prohibit waiting at any time (introduce double yellow lines) on both sides of De La Warr Road in East Grinstead from a point 25m east of its junction with Church Lane, westwards for appx 95m.

In addition to these new restrictions the Order also enacts a scheme of revised waiting restrictions in the Lowdells Lane area of East Grinstead advertised in March 2021. These restrictions were approved following public consultation but could not be installed before the proposed order timed out. The proposed restrictions have all been installed and this part of the Order has no effect other than to make restrictions already present on site legally enforceable.

Notice is also hereby given that West Sussex County Council, under the provisions of the Highways Act 1980 (Traffic calming) Regulations intends to install two raised traffic calming features on De La Warr Road in East Grinstead.

These features will be full width speed tables, with one located immediately east of its junction with Church Lane, and the other located on the bend in the road, west of its junction with Church Lane. Both features will be appx 65mm high and constructed in black McAdam.

Full details of the proposals in this notice can be viewed on the Traffic Regulation Order page of the [West Sussex County Council website](#). The website includes a response form for any comments or objections.

People without access to a computer who wish to view details of the scheme should telephone the West Sussex County Council Contact Centre on 01243 642105 to receive the documents by post.

Any comments or objections about the proposal must be received before 1 August 2024. These may be submitted via the response form on the website mentioned above, by e-mail to tro.consultation@westsussex.gov.uk or in writing to TRO Team, West Sussex County Council, The Grange, Tower Street, Chichester, PO19 1RH. For legal reasons, only correspondence including a full name and address will be considered. Please quote reference MDS8008-MM in all correspondence.

Dated this 11th day of July 2024.

And

East Grinstead: De La Warr Road Traffic Calming Features 2024

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will prohibit waiting at any time (introduce double yellow lines) on both sides of De La Warr Road in East Grinstead from a point 25m east of its junction with Church Lane, westwards for appx 95m.

It is also proposed to install two raised traffic calming features on De La Warr Road in East Grinstead.

These new measures in De La Warr Road are part of a scheme of works intended to improve pedestrian crossing facilities on De La Warr Road, which has a car park on the southern side of the road and a popular Arts facility on the northern side of the road. The new speed humps replace an existing scheme of traffic calming and will reduce traffic speed while providing level pedestrian crossing points.

The proposed new waiting restrictions on the road will prevent parked vehicles from obstructing the crossing points and ensure pedestrians have a clear view of approaching traffic.

The new restrictions are therefore proposed to avoid danger to persons or other traffic using the affected lengths of road and to preserve or improve the amenities of the area through which the road runs.

The attached drawings, numbered TQ3938SES shows the proposed new parking restrictions.

In addition to these new restrictions the opportunity is also being taken to enact a scheme of revised waiting restrictions in the Lowdells Lane area of East Grinstead advertised in March 2021. These restrictions were approved following public consultation but installation of them became delayed and not all of the associated works could be completed before the expiry of the statutory period of two years after the consultation was advertised. As the works are now complete, it is proposed to enact the installed restrictions as part of this order to make them legally enforceable. The affected restrictions are all present on site already and this part of the Order does not introduce any new restrictions.

The restrictions being enacted by this part of the Order are shown on the attached drawings numbered TQ3839NES, TQ3839SEN, TQ3839SWN, TQ4039NWS and TQ4039SWN.
