## Declaration

I understand that:

- If I am accessing EYFE hours it must not be compulsory for me to pay for consumables such as nappies or sun cream and for services such as trips and yoga. These charges must not be a condition of access. I must be given options for reasonable alternatives which could include allowing me to supply my own, or waiving the cost of these items.
- Voluntary contributions are acceptable but must not be included in any invoice totals or added as a condition of access.
- Invoices and receipts issued by my chosen setting will be clear, transparent, and itemised allowing me to see that I have received my child's EYFE completely free of charge and I am able to understand any fees, paid for additional hours, or services.
- I can claim up to a maximum of 15 funded hours for my child per week, across 38 weeks in the year (570 hours per year). For the 3 and 4 year olds who are also eligible for Extended EYFE, I can claim an additional 15 hours each week, up to a maximum of 30 hours per week over 38 weeks (1140 hours per year). (Notes **9** and **11**).
- If I sign up with a provider, it is my intention to send my child for the funded hours as per the pattern of attendance completed on this form. It is fraudulent to sign up to more EYFE hours than my child is actually accessing (note **12**).
- I can request, via the provider, changes to the number of hours claimed, as long as this is done before the headcount date of each term. (Notes **13** and **15**).
- I must show the provider confirmation of my child's date of birth (note **1**).
- If eligible for Disability Access Fund, I must give the provider a copy (no originals) of paperwork to show my child is eligible and in receipt of Disability Living Allowance and have nominated only one provider of my choice to receive the one-off Disability Access Fund payment and will discuss how funds will be spent with my provider (note **4**).
- I must provide my name, date of birth and National Insurance or National Asylum Support Service number which will be used by the provider to check eligibility for Early Years Pupil Premium (EYPP), which is paid to the provider. I am aware of how to claim under the non-economic eligibility criteria. If eligible, EYPP and an additional supplement will only apply to the first 15 hours EYFE claimed (note **5**).
- If eligible for Working Families EYFE, I give the provider permission to verify my 11-digit eligibility code and provide my child's date of birth and my National Insurance number which will be used by the provider and the Local Authority to verify my eligibility code (note **3**).
