West Sussex County Council
(Angmering: Dappers Lane) (20 MPH Speed Limit) Order 2025

NOTICE is hereby given that West Sussex County Council proposes to make a permanent Traffic regulation Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to introduce a 20 MPH speed limit on Dappers Lane in Angmering throughout its entire length. This is a revised version of a scheme originally proposed in November 2024.

Full details of the proposals in this notice can be viewed on the Traffic Regulation Order page of the [West Sussex County Council website](#). The website includes a response form for any comments or objections.

People without access to a computer who wish to view details of the scheme should telephone the West Sussex County Council Contact Centre on 01243 642105 to receive the documents by post.

Any comments or objections about the proposal must be received before 27 February 2025. These may be submitted via the response form on the website mentioned above, by e-mail to tro.consultation@westsussex.gov.uk or in writing to TRO Team, West Sussex County Council, The Grange, Tower Street, Chichester, PO19 1RH. For legal reasons, only correspondence including a full name and address will be considered. Please quote reference ARN2304a-MM in all correspondence.

Dated this 6th day of February 2025.

West Sussex County Council
(Angmering: Dappers Lane) (20 MPH Speed Limit) Order 2025

Statement of Reasons for Proposing to Make the Order

West Sussex County Council proposes to make a permanent Traffic Regulation Order that will introduce a 20 MPH speed limit on Dappers Lane in Angmering throughout its entire length.

A Traffic Regulation Order was advertised in November 2024 proposing a 20 MPH speed limit on Dappers Lane from its junction with Arundel Road southwards to the existing 30 MPH speed limit near the junction with Merryfield Crescent. During the consultation to this proposal objections were received, all of which requested that the new 20 MPH speed limit be longer than proposed.

The initial design reflected a cap on the budget available for schemes of this type and covered the longest length of road possible under this constraint. However, since the scheme was originally designed, the budget cap for such schemes has been revised and on review it is now considered that the speed limit could be applied to the whole road.

The original scheme was proposed in response to a community Traffic Regulation Order application submitted to the Council which requested a reduced speed limit at the northern end of Dappers Lane due to the narrow nature of the road and its use by vulnerable road users such as cyclists, walkers and equestrians. The revised scheme is proposed for the same reasons but is extended to cover the whole length of Dappers Lane to address responses to the previous consultation. These cited safety issues caused by the speed of traffic on other lengths of the road and raised concerns about inconsistency with 20 MPH speed limits in the rest of Angmering.

The revised proposal has been re-assessed against the WSCC speed limit policy which confirmed that the road qualifies for a 20 MPH speed limit as requested.

The new order is therefore proposed to avoid danger to persons or other traffic using the affected lengths of road.

The attached drawing, numbered ARN2304 shows the length of road affected by the proposed order.
