WEST SUSSEX COUNTY COUNCIL
(CRAWLEY – IFIELD: SHIPLEY ROAD & SOUTHWATER CLOSE)
(PROHIBITION OF DRIVING) ORDER 2025

West Sussex County Council proposes to make an Order under the provisions of the Road Traffic Regulation Act 1984, the effect of which will be to prohibit driving (except for access to/from residential addresses) between 0800 and 0900 hours and between 1430 and 1600 hours, Monday to Friday on lengths of Shipley Road and Southwater Close to form a School Street.

As part of the Government's Active Travel Fund initiative, the County Council is developing School Streets to promote Active Travel as part of our developing Active Travel to School programme.

School Streets prohibit vehicles from entering the road at the school gates at drop-off and pick-up times to provide a safer and more attractive environment to the roads outside schools. We anticipate this will encourage an active form of travel to and from the school gates, ultimately mitigating congestion and improving air quality.

Full details of the project are available at
<https://yourvoice.westsussex.gov.uk/school-streets>.

The Mill Primary Academy has been selected to be included in the School Streets programme.

This School Street Scheme will prohibit motor vehicles entering Shipley Road and Southwater Close at drop-off and pick-up times, with exceptions for residents' vehicles, businesses, Blue Badge holders, emergency services and certain others.

This Order is proposed for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising and for facilitating the passage on the road or any other road of any class of traffic (including pedestrians).
